11/24/68

Dear Mr. Thompson,

Congratulations on the appearance of your bibliography.

My delay in thanking you for the copy is only because I was away all this time. In fact, while I was in Texas ten days ago, I taped a broadcast on your Alan Dale Show.

I do appreciate it very much, and I hope there is increasing demand for it. There certainly is need. Looks good.

Again, my thanks.

Sincerely,

Harold Weisberg
